

Knights of the Road Privacy Statement

Organisation responsible

The TVM Safety Plan Foundation (referred to below as TVM) is the organisation responsible for processing data connected to the Knights of the Road.

Aim

TVM processes data for the Knights of the Road for the following purposes:

- To grant permission to take part in the procedure to become a Knight of the Road;
- To host and administer a platform to enable Knights to log in to their personal environment on the Knights of the Road website;
- To register permission given by drivers to request, verify and share their personal information with their (former) employer(s);
- To request and verify information obtained from the (former) employer(s) of drivers who are eligible to become a Knight of the Road after they have given TVM permission to do so in accordance with the provisions of the Regulations;
- To maintain records of the extent to which drivers remain eligible to become a Knight of the Road in accordance with the provisions of the Regulations;
- To establish, in consultation with a driver's employer, whether they wish to propose the driver as a Knight of the Road candidate;
- To inform drivers and to invite them to Knight of the Road award ceremonies;
- To establish and promote a Knights of the Road community on the website and to inform the general public about the underlying philosophy of the Knights of the Road;
- To maintain contact with Knights in order to keep them informed about news concerning the Knights of the Road Institute.

Personal details

In the Knights of the Road framework, TVM processes the following data: the driver's contact details and the name of their employer (Driver's form). The driver's contact details and date of birth, the name of their employer, information about their driving history, their work history and the date when they started their job (Employer's driver proposal form).

Recipients

Subject to statutory obligations to disclose certain information, there are no other recipients of the personal details provided by drivers apart from TVM. The information will not be shared with or made available to other companies in the TVM Group.

Contact

For all questions, including exercising the right to access, correct and remove data, please contact TVM, Attn. Knights of the Road, Van Limburg Stirumstraat 250, Hogeveen, ridder@riddersvandeweg.nl.

Cookies

www.riddersvandeweg.nl only uses cookies that are absolutely necessary for obtaining information about the quality and effectiveness of the website (Google Analytics).

Security

TVM implements appropriate technical and organisational security measures to protect personal data collected and processed within the framework of the Knights of the Road community from unauthorised access.

Retention period

Data that is processed in the framework of the Knights of the Road community may be stored for a maximum period of 17 years following the last year of participation in the Knights of the Road Institute, unless a Knight gives permission for his data to be stored for a longer period.

Registration

TVM's data processing activities in the framework of the Knights of the Road have been registered with the supervisory authority under file number 1075880.
