Passenger car package insurance - business

Policy conditions

PPZ 01012020

TRANSLATION

These conditions have been translated from the original Dutch wording. In case of differences between the wording of these conditions and the original Dutch wording, the provisions of the latter shall prevail.

Introduction

Damage that is caused to someone else with your passenger car is reimbursed with the Passenger car package insurance. It is also possible to insure damage to the passenger car or the trailer.

The policy conditions of this insurance are set out below. The following, amongst others, are included:

- the applicable rules;
- our and your obligations;
- how the premium is established;
- the reimbursements or assistance to which you are entitled;
- what you should do in the event of a claim.

It is important that you read these policy conditions carefully. This will ensure that you are fully aware of what actions you should take and your entitlements.

We will send you a policy schedule if you take out insurance with us. The policy schedule sets out the contingencies for which you are insured. Any special conditions that are applicable to this policy can also be included on this. Please make sure that you safely store your policy schedule and the accompanying documents.

Check the table of contents for the topic you wish to learn more about. This is the quickest way to find the topic.

A description of the General Conditions is given after the explanation of the used terms. These are the conditions that apply for the entire insurance. After this, we then describe the conditions per cover. Your insurance cover is stated on the policy schedule.

If you would like to know whether we reimburse your damage, do not just look at what is insured, it is also important that you look at what is not insured. The excess, the amount of the maximum reimbursement or other special details also possibly influence the amount that will be reimbursed.

Explanation of the used terms

The following terms and words are explained to ensure these policy conditions are as comprehensible as possible. The terms that appear in the General Conditions are given below. The terms that we use with the conditions per cover are explained separately in that chapter.

- **Accessories:** the extras that are not part of the standard features of the car, but are incorporated later. Extras that increase the safety factor are also deemed to be accessories.
- **Current market value:** the amount needed to purchase a similar passenger car immediately before the damage.
- **Cover:** the risks which you or your property are insured against are described in this. This insurance has various types of cover.
- **Excess:** this is the part of the claim that we do not reimburse. If the damage is to your own property then you receive the amount of the claim minus the excess. If the damage is to someone else then we mostly reimburse the entire claim, but then you have to pay us the excess.
- **Fraud:** fraud occurs when you intentionally mislead or try to mislead us in order to receive a reimbursement or benefit to which there is no entitlement. Also included under fraud is seeking to benefit in another way without being entitled to a reimbursement, allowance or benefit or when you intentionally provide us with wrong information.
- **Event:** the event or connected events whereby damage or liability arises.
- **Occupants:** the driver and everybody who with permission has a seat in the passenger car.
- **New value:** the amount needed to be able to purchase a new car of the same type and quality at the moment of the damage. New value also includes the accessories, delivery costs and disposal levy.
- **Accident:** a sudden impact of physical violence from outside on the body that directly leads to physical injury or the death of the insured person, and which a doctor should be able to establish.
Accident also includes the following:
 - dislocation, sprain and the tearing of muscles and tendons caused by a sudden physical effort;
 - wound infection and blood poisoning as a result of an accident;
 - complications or worsening of physical injury caused by first aid or medical treatment after an accident;
 - direct effects of or poisoning through a gas, vapour or substance and also contamination through the contracting of diseases or allergens as a result of an involuntary fall into water or any other substance;
 - burning, drowning, suffocation, freezing, sunstroke, exhaustion, death from starvation or thirst and being struck by lightning or some other form of electrical discharge.
- **Passenger car:** the vehicle that is stated on your policy. This is in the model range as it was marketed by the manufacturer or importer. Including all the extras that are needed in order to be able to use the vehicle as described in the application form and/or policy. We also count extras that increase the safety factor such as a warning triangle, first-aid kit, emergency light, tow-rope, tie-down straps and fire extinguisher as part of the passenger car. You do not have to include these in the insured value.

We do not count the fuel that is in the car as part of the passenger car.

- **Breakdown:** a mechanical or technical problem, as a result of which the passenger car can or may no longer be driven.
- **Policy schedule:** the pages are part of the policy conditions. This states your insurance cover.
- **Residual value:** the current market value of the car directly after the damage. This value is established by the expert.
- **Total loss:** if the repair costs are more than the current market value of the passenger car just before the damage minus the residual value. There is also total loss when the repair costs are more than 2/3 of the current market value of the passenger car just before the damage. Theft and misappropriation are also a form of total loss.

An example of "total loss"

If the repair costs are more than 2/3 of the value of the passenger car, then we feel it is no longer reasonable and responsible that the car is repaired. That is why we consider your car a total loss in such an instance. The example below will provide clarity on this.

Current market value passenger car	€40,000
Repair costs	€30,000
Residual value passenger car after the damage	€5,000

The repair costs (€30,000) are more than 2/3 of the current market value (€40,000). Thus, you do not receive the repair costs (€30,000) but the current market value (€40,000) minus the residual value of the passenger car after the damage (€5,000). You receive €40,000 - €5,000 is €35,000. The excess though, still has to be deducted from this.

- **Regular driver:** the person who as a general rule drives the passenger car.
- **You/Policyholder:** the person who took out the insurance contract with us.
- **Traffic accident:** a collision, crash, running over, fire, lightning strike and running off the road.
- **Insured:** the policy holder, the owner, possessor and keeper of the passenger car. And the persons who with your permission are allowed to drive or ride in the passenger car.
- **We/ourselves/us:** TVM verzekeringen N.V.

General Conditions

The conditions that are applicable on the entire insurance are set down in this chapter. Thus, please make sure that you read this carefully so that you will not have any unpleasant surprises later on. The details that you have supplied form the basis for the insurance.

1. With who are you insured?

You are insured with TVM verzekeringen N.V., (Chamber of Commerce number: 53388992, Dutch Authority of the Financial Markets (AFM) registration number 12040443); www.tvm.nl. Our address is: Van Limburg Stirumstraat 250, 7901 AW Hooerveen. Our postal address is: Post box 130, 7900 AC, Hooerveen.

By taking out this insurance you are entitled to apply for membership to the Coöperatie TVM U.A. This is not possible if the insurance is handled by an authorised agent of TVM or if your company is not domiciled in the Netherlands. The Cooperative Association TVM U.A. is entitled to cancel the membership if the insurance is going to be handled by an authorised agent. An authorised agent is someone or an organization that may accept insurance on our behalf.

The law of the Netherlands is applicable on this insurance.

2. What rules are in place for the commencement and end of the insurance?

2.1. Commencement date and renewal of the insurance

- The insurance commences on the commencement date stated on the policy schedule.
- The contract renewal date of your insurance is also stated on the policy schedule. If you do not conclude a new agreement with us before this date, the insurance is renewed for a period of twelve months.
- You have no entitlement to compensation for damage that is the result of an event, which occurred before the commencement date of the insurance.

2.2. When can you terminate the insurance?

- You can terminate the insurance at any given moment in writing if you have not concluded any new agreement with us after the first contract term. A notice period of one month applies for this.
- You can terminate the insurance in writing per contract renewal date, if you have agreed a (new) contract term with us. A notice period of two months is applicable in such an instance.

2.3. When can we terminate the insurance?

- We are entitled to terminate the insurance per contract renewal date if we inform you of this in writing two months before the contract renewal date.
- We can terminate the insurance with immediate effect if:
 - you do not pay the premium or the excess at all or on time;
 - you intentionally mislead us when taking out or during the term of the insurance by providing incorrect or too little information;

- you have not supplied the correct information in the event of a claim;
 - you change your business activities;
 - your company goes bankrupt;
 - you, by court order, may defer your payments (suspension of payments);
 - your company ceases to exist;
 - it is established that there is a case of (an attempt to commit) fraud involving this insurance or any other insurance taken out with us. We shall be entitled to terminate all insurance policies that you have with us as of the date of the letter in which we inform you accordingly;
 - you no longer have an interest in the insurance (such as in the event of total loss or sale of the passenger car). It is important that you inform us of this as soon as possible, but in any case within seven days.
- We refund any premium paid in excess. We will not do this in the event of fraud.

- We are entitled to immediately terminate the insurance in relation to sanction legislation if:
 - you are included on the sanction list;
 - you are a legal person, of which a holder of 25% or more of the shares is included on the sanction list;
 - you are a legal person and controlled by a person (natural or legal person) who is included on the sanction list. Consider here, amongst others, a director and/or a supervisory director;
 - a sanction has been imposed by the Dutch government, the European Union, the United States or the United Nations that forbids us from issuing your insurance.
- We are entitled to terminate the insurance in relation to sanction legislation at any given moment, with a notice period of two months, if:
 - you do not cooperate with establishing the ultimate beneficial owner of your legal entity, for example, by not filling in a UBO form.

If one of the above points apply to you or if national or international rules apply that forbid or restrict this, then:

- we will not provide cover under this insurance;
- we will not make any payments to you or on behalf of you;
- we will not refund any premiums paid in excess or advance.

For so long as the sanctions apply, we will not be obliged to do so.

3. Are we entitled to change the conditions or the premium?

We are entitled to change (in the interim) the premium and/or conditions of this insurance. We will inform you of this via a letter at least 30 days before this change takes effect. If you inform us in writing within 30 days after this notification that you do not agree with this change, then the insurance will be terminated on the said date of change that is given in the letter in which we informed you of the change.

You are not permitted to terminate the insurance if the change is the result of:

- a legal provision;
- an extension of the cover;
- a reduction of the premium;
- a premium adjustment through indexation.

4. How do we treat your personal data?

When you request insurance, we ask you to provide your personal information, which we use within the TVM Group for the following purposes:

- acceptance and administration of your insurance;
- processing claims;
- statistical research;
- to prevent and combat fraud;
- to check against sanction lists;
- marketing activities;
- risk prevention and management;
- to comply with legislation and regulations.

If you would like to know more about privacy and how we use your personal information, click the 'Cookie and Privacy Statement' at the bottom of the homepage on our website.

In the use of your personal information we adhere to the Code of conduct for the processing of personal data by insurers (see www.verzekeraars.nl). We also exchange your claim history and insurance details with the Central Information System Foundation (CIS). We do this in order to adopt a responsible policy for handling claims and accepting insurance risks, and to combat fraud. In this respect, we follow the privacy regulations of the CIS. If you would like to know more, go to www.stichtingcis.nl.

5. What can we do in case of fraud?

In case of fraud, we can report it to the police and take the following measures.

- We register your details in the database for insurers maintained by the CIS foundation, with the Fraud Office at the Dutch Association of Insurers' Centre for the Prevention of Insurance Crime (CBV), and in TVM verzekeringen's internal Events Administration or Incidents Register.
- We can recover from you any (investigation) costs incurred and/or damages paid.
- If we engage the service organisation for liability claims (SODA), then you will be charged at least the standard fee set by SODA.
- If SODA is not engaged, we can charge you for the actual internal investigation costs incurred.
- We can terminate all insurance policies you have with us.

6. What are your options in the event of complaints?

If you have a complaint then do not hesitate to contact us. If your complaint cannot be resolved by our employee, then you can submit your complaint to our internal complaints desk. Complaints can be submitted via klachtenloket@tvm.nl. If you are not satisfied with the solution we propose, you can then choose to submit your complaint to court. As a consumer you can submit a complaint to the Dutch Financial Services Complaints Authority (Klachteninstituut Financiële Dienstverlening (KiFID)), Postbus 93257, 2509 AG Den Haag, e-mail info@kifid.nl.

7. What obligations are imposed on you?

7.1. What do we expect from you?

We expect you to:

- adhere to the agreed rules and to the government regulations;
- supply all the information that could be important for the settlement of the claim. This is for example the case when someone else is liable for the damage;
- cooperate in order for the claim to be settled quickly and properly;
- supply us with the correct information when taking out the insurance;
- inform us about changes during the term of the insurance, such as:
 - a change in the business activities;
 - a company takeover;
- forward the original supporting documents at our request;
- pay your premium and excess on time;
- inform us if:
 - the passenger car will be outside the Netherlands for longer than eight consecutive weeks;
 - you drive more kilometres in an insurance year than the amount we agreed with you. The kilometres limit is stated on the policy schedule.

7.2. What if you do not meet the obligations?

If you do not adhere to the rules, we could suffer a loss as a result. If we suffer a loss in this way, we will be entitled to:

- do not or only partially pay your damage;
- terminate the insurance immediately;
- increase the premium;
- have you to pay back payments and/or the costs we have incurred.

8. What should you do in the event of a change of business activities or a company takeover?

A change in business activities or a company takeover should be reported to us as quickly as possible.

We will inform you whether we will continue to offer the insurance and if yes, for which conditions. You will be informed of this thirty days after we have received the information from you.

9. How do we establish the premium?

A no-claim bonus could be applicable on your insurance. This means that you receive a discount on your premium for claim-free driving. In addition to a premium with a no-claim bonus there is also the possibility of a premium without a no-claim bonus. The policy schedule specifies the policy we have agreed with you.

For a premium with a no-claim bonus, the amount of the premium for third party liability and comprehensive insurance cover is influenced by the number of years you have driven claim-free.

We are entitled to adjust the premium to the price developments each year. We use the consumer price index for households of Statistics Netherlands (consumentenprijsindex voor huishoudens van het Centraal Bureau voor de Statistiek (CBS)) for this.

9.1. No-claim facility

- We set the grade at the commencement of the insurance policy and with this the discount on the no-claim table.
- If you drive claim-free for a year. Then the new grade is adjusted upwards according to the no-claim table.
- If you have filed a claim which we have reimbursed. Then the grade in the new insurance year is adjusted downwards according to the no-claim table.
- The following claims have no negative impact on your no-claim bonus:
 - damage that is insured under 'Restricted comprehensive' cover;
 - damage caused by hoisting a vehicle onto or off of an inland navigation vessel or damage is caused while the vehicle is on board the vessel;
 - assistance in case of illness or accident;
 - damage that we according to the law have to pay, but where no blame whatsoever can be attached to the driver of the passenger car when the damage occurred.

9.2. No-claim table

Current grade	Discount	The table shows what the grade will be after an insurance year:		
		No claim	1 claim	2 claims
grade 1	0%	grade 2	grade 1	grade 1
grade 2	10%	grade 3	grade 1	grade 1
grade 3	20%	grade 4	grade 1	grade 1
grade 4	25%	grade 5	grade 1	grade 1
grade 5	30%	grade 6	grade 1	grade 1
grade 6	35%	grade 7	grade 1	grade 1
grade 7	40%	grade 8	grade 2	grade 1
grade 8	45%	grade 9	grade 3	grade 1
grade 9	50%	grade 10	grade 4	grade 1
grade 10	55%	grade 11	grade 5	grade 1
grade 11	60%	grade 12	grade 6	grade 1
grade 12	65%	grade 13	grade 7	grade 1
grade 13	70%	grade 14	grade 8	grade 2
grade 14	75%	grade 15	grade 9	grade 3
grade 15	75%	grade 16	grade 10	grade 4
grade 16	75%	grade 17	grade 11	grade 5
grade 17	75%	grade 18	grade 12	grade 6
grade 18	75%	grade 19	grade 13	grade 7
grade 19	75%	grade 20	grade 14	grade 8
grade 20	75%	grade 20	grade 15	grade 9

In the event of 3 or more claims, the grade in the new insurance year will always be 1 (thus, without discount).

Example of a no-claim bonus

Let us say that your current grade is 10. The table shows that this corresponds with a 55% discount on your premium. If you have not filed a claim that we have to pay after one insurance year, then you move up to grade 11. This then results in a 60% discount. If we do though have to pay a claim then you will be moved back to grade 5. Your discount on the premium is then reduced and amounts to just 30%

9.3. Regional discount

We recognize several regions. The amount of the premium for the insurance can depend on the region in which you reside. If there is a case of several regular drivers, then we apply the region with the highest premium.

10. What rules apply for the payment of the premium?

10.1. Payment of first premium

- The insurance commences on the agreed date, when you pay the first premium within thirty days after the invoice date. If you fail to do this: Then we assume that you are no longer interested in taking out the insurance. Then you were not insured with us.

10.2. Payment of following premiums or any excess

- You pay the following premiums within thirty days after the invoice date. This also applies for any excess that we charge you. If you fail to do this: Then we will send you a payment reminder.
 - After 15 days, calculated from the date when we send you the reminder, you will no longer receive compensation for any new claims.
 - In this case, we shall also be entitled to terminate the policy.
 - If you do pay, but not on time and we have not yet terminated the policy, you will once again receive compensation for new claims as of the day following the day on which we receive payment.
- You are always obliged to pay the premium or a charged excess. If we initiate a (legal) process for the payment that you have to pay, then any associated (collection) costs incurred are for your expense.

11. What is not insured?

We provide no assistance and pay no claims if related damage is caused during or as a result of:

- other use than is explicitly agreed, such as:
 - (sub) leasing;
 - paid transport of persons;
 - giving driving lessons.
 - participating in speed and contests of skill and training for this;
 - participation in events such as carnival processions or other cavalcades, parades, marches or demonstrations.
- a driver who is not permitted to drive the passenger car; We understand here, a driver who has no driving licence or who should not be considered capable of driving a vehicle;

For example: someone who has no valid driving licence or is disqualified from driving, or when the driver is driving under the influence of so much alcohol, drugs or medication that he/she should not be considered capable of driving a vehicle.

Has your license expired? In that case you remain insured, provided your driving license can be renewed without the need to take an examination or driving test.

- a driver who has stolen the passenger car or knows that it is stolen;
- a driver who refuses to cooperate with a breathalyser, urine or blood test;
- if the accompanying driver does not meet the 2toDrive regulations (for supervised driving);
- intent, conditional intent, recklessness or with the approval of an insured;
- fraud.

There is a situation where the abovementioned claim is though covered. This is when you can prove that you were unaware of the situation and you also did not want it to happen. And you could also not prevent the situation.

We further provide no assistance and pay no claims if these have been caused by:

- nuclear reactions, we understand here any nuclear reaction in which energy is released such as nuclear fusion, nuclear fission or artificial and natural radioactivity;
- acts of war, we understand here:
 - Armed conflict
Armed conflict is understood to be any conflict in which at least one nation state or organised party combats another state or organised party with the use of military force. Armed conflict also includes military action conducted by a peacekeeping force of the United Nations.
- Civil war
Civil war is understood to be a more or less organised violent struggle between inhabitants of a nation state, in which a considerable number of the inhabitants of the state are involved.
- Insurrection
Insurrection is understood to be an organised violent resistance within a state, directed against the public authorities.
- Civil commotion
Civil commotion is understood to be more or less organised violent acts occurring in several places within a state.
- Riots
Riots are understood to be a more or less organised local violent movement directed against the public authorities.
- Mutiny
Mutiny is understood to be a more or less organised violent movement of members of any armed force directed against the authority under which they have been placed.
- (bio)chemical, biological or electromagnetic weapons;
- seizure by a Dutch or foreign authority.

We also do not reimburse claims:

- if the passenger car is longer than eight consecutive weeks outside the countries of the European Union;
- if the aim is to cause damage through the use of computers and software;
- on cases where this is not permitted according to national or international regulations;
- to persons, companies, authorities and other parties where this is not permitted because of national or international agreements.

12. Is the damage also insured under another policy?

Are there other insurance policies or facilities that also pay the same claim? Then you are expected to immediately inform us about these policies.

We do not pay a claim:

- if this claim is already paid on the basis of a facility, the law or another insurance policy or;
- if the damage would have been compensated if this insurance policy with us did not exist.

If this insurance policy covers more than the amount compensation by this scheme, law or other insurance policy, because the insured sum is higher or the policy conditions are different, we will only compensate the amount of damage that exceeds the higher insured sum or that you are entitled to receive under the policy with different conditions. We will not pay the excess (if applicable) stipulated in another policy.

We will pay the damage if the other policy is for accident insurance.

13. When do we recover the paid claim?

We are entitled to recover the paid claim and incurred costs if:

- the driver has consumed more alcohol than the legal limit allows;
- the driver was under the influence of a stimulating or narcotic substance or medicine. This does not apply if it is taken on the advice of a doctor, unless the driver should have known that the substance or medicine can impair the driving ability;
- the driver did not have a valid licence;
- the driver or the insured intentionally or through recklessness behaviour (partially) caused the claim;
- the insured was pleased that a claim occurred;
- for another reason no cover exists;
- someone used the passenger car without your permission; Then we recover the claim from the person who used the car;
- someone else is liable. Then we recover the paid claim from the other person.

14. In which countries are you insured?

In the case of Third Party liability insurance, you are insured in the countries in which your green card (International Motor Vehicle Insurance Certificate) is valid. The same coverage areas apply for the other policies, but there is no cover to the east of the geological east/west watershed in the Ural Mountains and the course of the Ural River from the Ural Mountains to the Caspian Sea.

If frontier insurance is required for a country, then you have to make use of this. The cover of the frontier insurance supersedes the cover of this passenger car insurance.

15. What should you do in the event of a claim?

The claim should be reported to us as soon as possible within three days at the very latest. This can be done in the following ways:

- Internet www.mijntvm.nl
- Telephone +31 (0)528 29 27 00
- E-mail smd@tvm.nl
- Post TVM verzekeringen
Antwoordnummer 70
7900 VB Hoogeveen

In the event of theft, you should always immediately contact TVM assistance: +31 (0)528 29 29 11.

After which, you should forward the completely filled out claim form to us within seven days after reporting.

15.1. Emergency assistance.

If you need direct assistance, call:

TVM assistance: +31 (0)528 29 29 11.
(lines are open day and night)

Examples of direct assistance (depending on your coverage) are:

- Salvage;
- Repatriation;
- Theft of your vehicle;
- Personal assistance if you become ill or are involved in an accident in another country.

15.2. When should you report it to the police?

In the case of theft, break-in/forcible entry, misappropriation, vandalism or loss, you should immediately contact and report it to the police. TVM shall engage the Insurance Bureau for Vehicle Crime (VbV) to find the passenger car.

15.3. What should you do in the event of a claim?

We expect you to:

- supply all the information that could be important for the settlement of the claim. This is for example the case when someone else is liable for the damage;
- cooperate in order for the claim to be settled quickly and properly;
- forward the original supporting documents at our request;
- forward all documents that relate to the claim to us as soon as possible;
- make no commitments, statements or undertake actions regarding the compensation of damage.

If you do not adhere to these rules, we could suffer a loss as a result. Then we are entitled not to pay or only partially pay your claim. You can read in article 7.2 'What if you do not meet the obligations?' about the additional consequences this can have for you.

15.4. What should you know in the event of a claim?

- We can engage counsel if criminal proceedings are instituted against an insured.
- If you make a claim, you automatically authorises us to settle this claim on your behalf.
- We are entitled to pay directly to the benefit claimant.

15.5. Who determines the claim?

- We can bring in a loss adjuster to assess your claim. We will also pay the related costs.
- If you do not agree with our loss adjuster's assessment, you may bring in your own loss adjuster, but in this case, you will have to pay the costs in advance and subsequently reclaim them.
- You must have reasonable grounds for bringing in your own loss adjuster. For example, the costs of the loss adjuster must outweigh any difference you expect in the assessment of the damage.
- We will in any case pay the costs of your loss adjuster up to the amount charged by our loss adjuster. If the costs of your loss adjuster exceed the costs of our loss adjuster, we will only pay the additional amount if they are reasonable.
- If our two loss adjusters cannot agree, they can appoint a third loss adjuster. The assessment of the third loss adjuster will be binding on both of us. In addition, we shall share the costs of the third loss adjuster.

15.6. What if you cannot use your car because it is being repaired or serviced?

So long as the insured passenger car is temporarily unavailable due to repairs or service, the cover chosen by you is also valid for a similar replacement passenger car. This insurance cover is valid for a maximum of thirty days. You have to immediately inform us of the temporary replacement. If the replacement car is already insured, this cover is not applicable.

16. How is a claim as a result of terrorism arranged?

A claim caused by terrorism is reimbursed based on the Claims Settlement Protocol and the accompanying Terrorism Cover Clause Sheet of the Dutch Reinsurance Company for Terrorism Damages (clausuleblad terrorismedekking of the Nederlandse Herverzekeringsmaatschappij voor Terrorismeschaden (NHT)). If you want the complete text of the protocol and the clause sheet, please go to: nht.vereeende.nl or www.tvm.nl.

This means that if you have suffered damage as a result of an act of terrorism your claim might not be fully reimbursed.

What does your insurance cover?

This chapter describes the conditions per cover. The cover that you have taken out is given on the policy schedule.

17. Third Party liability (damage to another person)

As soon as the deposit is refunded by the government agency, you must pay it back to us immediately. • Compensation is also made above the insured amount for: <ul style="list-style-type: none"> • the costs for the legal assistance provided by us for criminal proceedings against the insured; • the costs of legal assistance for a defence in a civil proceedings against the insured; • statutory interest.

The consequential loss after the collision with an animal is not insured. For example, if you collide with a tree after hitting the animal. • Coming into contact with an aircraft or parts of it. • A sudden contamination of chemical substances as a result of an environmentally disruptive event. • Flooding, tidal wave, hail, avalanche, earthquake, volcanic eruption, falling rocks, subsidence and landslide. • The breaking or cracking of the windscreen, side and rear windows and damage caused by the shards. This also applies if this damage is the result of an inherent defect in the passenger car. • Hoisting the car onto and off of an inland navigation vessel. Damage incurred while the car is on board the vessel is also insured; • All other suddenly occurring external causes that result in damage. 		
<p>What is not insured?</p> <p>The following is not insured:</p> <ul style="list-style-type: none"> • damage caused by freezing temperatures; • damage to only the tires if at the same time no further damage occurred to the passenger car; • damage during the hauling and towing; • marks, scratches or paint damage caused during transport; • wear and tear; • mechanical damage through incorrect use; • claim arising through decreasing in value; • damage as result of pumping the wrong fuel into the car (misfueling) or using the incorrect oil. <p>See article 11 'What is not insured?' for more on what is not insured.</p>		
<p>Excess</p> <ul style="list-style-type: none"> • This is stated on the policy schedule. The excess applies per passenger car and per event. • There is no excess for: <ul style="list-style-type: none"> • a contribution in General average; • replacing of vehicle registration papers/On-board Units; • the replacing of locks after theft of the car key; • costs of security. <p>An excess is also not applicable in the event of the total loss of the car, unless it is the result of theft or misappropriation, or if the vehicle security and protection conditions are not met.</p>		

<p>Important to know in the event of damage</p>	<ul style="list-style-type: none"> We determine the damage within 30 days after we have received all the data. You have to afford us two consecutive working days to determine the damage before the repairs are carried out. You are allowed, without our permission, to have emergency repairs of up to €500 carried out in advance. In the event of theft, we pay the claim after 30 days from the day that you reported the theft to us. We pay the compensation in the event of total loss after the property of the passenger car, including the extra items to be reimbursed by us are transferred to us or to a party to be appointed by us. You are hereby required to also hand over the vehicle registration papers (including vehicle registration certificates or cards with codes), keys and other electronic means for opening the doors. In the event of theft or misappropriation, the claim is the current market value of the passenger car at the moment just before the event. You are not entitled to hand over (to abandon) the damaged or stolen car to us. You can request statutory interest from the day that this is claimed in a judicial procedure. You are entitled to a replacement vehicle if your passenger car (in the Netherlands): <ul style="list-style-type: none"> was stolen or damaged in such a way after a road accident that you can no longer drive it, and; is not a lease or rental car, and; no use is made of transport per taxi. The replacement passenger car is at most a medium-class car and the replacement applies until your car has been found or repaired, but never more than 5 days. If you do not use replacement transport, you will be entitled to receive an allowance of € 25 per day during the period in which you could not use the car until the car has been or could reasonably have been repaired. You may receive this allowance for a maximum of 10 days. In the event of theft or misappropriation, you will receive the allowance until the moment the car is found. The maximum period in this respect is 30 days. No excess applies to the daily allowance. <p>See also article 15. 'What should you do in the event of a claim?'</p>										
<p>What is the maximum compensation per claim?</p>	<ul style="list-style-type: none"> We reimburse the repair costs. These costs must not be higher than the current market value of the passenger car before the damage minus the residual value of the passenger car after the damage. In the event of total loss we reimburse according to 'Value appraisal in the event of damage', as stated in the table below. The residual value is deducted from all payments. There is no residual value with theft and misappropriation. If there is damage from an older date that was not expertly repaired, then this damage is deducted from the compensation. A maximum of €500 applies for permanently installed electrics. If during the establishing of the insured value of the passenger car account was taken with a higher amount, then that applies as the maximum amount. A maximum of €1,000 applies for replacing the car locks after the keys were stolen.

19.2. Assistance in the event of breakdown

You have this cover if you took out the Full comprehensive insurance cover on the passenger car. This cover reimburses the costs of the assistance outside the Netherlands. The overview below states what is and is not insured.

What is insured?	<p>You will receive assistance if the car can no longer be driven as a result of a breakdown outside the Netherlands.</p> <p>In this case, we will compensate:</p> <ul style="list-style-type: none"> • the costs of salvage and transportation to the nearest garage; • the costs of roadside emergency assistance up to €125; • the reasonable costs of security; • the shipping of vital parts. <p>If on site repairs are not reasonably possible within four days, we will compensate:</p> <ul style="list-style-type: none"> • the transportation of the car to an address in the Netherlands; • the public transport costs of luggage and occupants to an address in the Netherlands.
What is not insured?	<p>The following is not insured:</p> <ul style="list-style-type: none"> • assistance and costs without our permission; • the costs of parts. <p>See article 11 'What is not insured?' for more on what is not insured.</p>
What is the maximum compensation?	<p>Assistance and costs are reimbursed up to the maximum current market value of the passenger car.</p>

20. Accidents to Occupants

This cover gives you accident insurance for the occupants of the passenger car. You have this cover if it is stated on your policy schedule. The overview below states what is and is not insured.

What is insured?	<p>The following is insured:</p> <ul style="list-style-type: none"> • death or permanent disability of the occupants of the insured car as a result of an accident with the insured passenger car. <p>This insurance also applies for accidents that occur when the car is stopped, getting in and out of the car, refuelling and carrying out emergency repairs or assistance at an accident in which the passenger car is involved.</p>
What is not insured?	<p>Death and permanent disability as a result of the following is not insured:</p> <ul style="list-style-type: none"> • existing disability; • fighting or wilful recklessness (risky undertaking). This is though insured if it is an attempt to rescue a person or an animal. It is also insured if it concerns self-defence and fending off imminent danger; • committing a crime or being involved in one; • an accident caused as a result of an illness of insured. If the illness is the result of a previous accident that was insured, then it is insured in this instance; • when the consequences of an accident are aggravated by an illness or a mental or physical defect; • in case of psychological disorders. This is though insured if this is the result of brain injury caused by the accident; • disability coupled to the performing of a specific profession. <p>Permanent disability when the occupant is older than 70 years of age is also not insured.</p> <p>See article 11 'What is not insured?' for more on what is not insured.</p>
No entitlement to payment	<ul style="list-style-type: none"> • No entitlement to payment exists if the accident has still not been reported three years after the accident.
Excess	<p>None.</p>

<p>What should you do in the event of an accident?</p>	<ul style="list-style-type: none"> In the event of death, you must immediately inform us of this and if requested by us, agree to a post-mortem examination. In the event of disability, you must inform us of this as soon as possible. You must cooperate with a medical examination and the medical treatment. <p>See also article 15. 'What should you do in the event of a claim?'.</p>
<p>What is the maximum compensation?</p>	<ul style="list-style-type: none"> The insured amount that is stated on the policy schedule. If there are more occupants than what is given on the policy schedule, then the compensation for every occupant is reduced in proportion to the actual number of occupants.
<p>Special details</p>	<ul style="list-style-type: none"> In the event of death caused by an accident, we reimburse the insured amount. What if the insured dies within a year after the accident? Then the amounts that have already been reimbursed for permanent disability for this same accident are deducted from the payment. In the event of permanent disability, you receive a percentage of the insured amount. Please see article 20.1 for the percentage rate. In the event of permanent disability other than what is described herein above, a percentage of the insured amount that is equal to the percentage of the closed type of listed permanent disability will be reimbursed. This percentage is determined by our medical advisor in accordance with the standards laid down in the latest edition of the A.M.A. Guide and, wherever possible, calculated as a total percentage of the upper extremity (arm to shoulder joint) and/or the lower extremity (leg to hip joint). When determining the permanent disability no account is taken of the occupation of the insured. We determine the extent of the permanent injury as soon as the condition is stable (thus, when it will no longer or improve or worsen). Is it still not possible to determine the percentage of the permanent disability due to the fact that this can still change? Then we are entitled, in all reasonableness, to delay the decision on the amount of the payment. We shall determine the amount of the payment as soon as we have all the data and a definitive medical conclusion has been reached and inform you of this. If existing illnesses and/or disabilities worsen the consequences of an accident, then we do not reimburse more than when the insured would have been completely able and healthy. The payment is made to the person that suffered the accident. In the event of the death of this person, the payment is made to: <ul style="list-style-type: none"> your spouse, if you at the moment of death are married; your partner, as set down in the notarial cohabitation contract or the 'registered partnership', by which you at the moment of death cohabit without being married. If you have no spouse or partner at the moment of death then the compensation is paid to your legal heirs. If there are no legal heirs, then no payment is made.

20.1. Payment percentage in the event of permanent disability

In the case of partial disability, you receive a percentage of the amount for which you are insured. The percentages are given in the table below.

With (partial) loss of bodily function:

Both eyes	100%
One eye	30%
If complete payment has been granted from this insurance for one eye, then the other eye	70%
Hearing in both ears	50%
Hearing in one ear	20%
If complete payment has been granted from this insurance for one ear, then the other ear	30%
Sense of smell and/or taste	10%
An arm up to the shoulder joint	75%
An arm up to the elbow joint	67.5%
Elbow joint	60%
A hand	60%
A thumb	25%
An index finger	15%
A middle finger	12%
A ring finger	10%
A leg up to the hip joint	70%
A leg up to the knee joint	60%
A foot up to the ankle joint	50%
A big toe	5%
One of the other toes	3%

You receive the maximum 100% of the insured amount.

Do you still have partial use of a body part? Then you receive a part of the percentage.

Can you not use more than one finger of the hand? Then you receive no more than with (partial) loss of the whole hand.

20.2. Do you disagree with our assessment on the amount of or the entitlement to a payment?

Then a commission of three doctors will be appointed. You appoint one doctor and we appoint another. After which both of these doctors choose a third doctor before they start their examination. If the first two cannot agree then the third doctor shall decide on the matter. Every party is required to abide by this decision.

20.3. When will we reimburse the claim?

- We reimburse for permanent disability within three years after the accident. We shall reimburse sooner if it can be established that no change is expected in the health condition.
- Has the insured died within one year after the accident and the death is not the result of the accident? If we have not yet paid compensation for permanent disability, then we will never make this payment.
- Has the insured died more than one year after the accident and the death is not the result of the accident? If we have not yet paid compensation for permanent disability, then we will do so in this case. The payment is based on the disability as if the insured had not died.
- Has permanent disability still not been established after one year? Then the amount of the payment (after the first year) is increased by 3% per year.

21. Occupants' claims

With this coverage you have an Insurance that covers damage to the occupants of the passenger car as a result of a road accident. You have this cover if it is stated on your policy schedule. The overview below states what is and is not insured.

What is insured?	<ul style="list-style-type: none"> The occupants of the passenger car that suffer damage as a result of a road accident are insured. This applies for: <ul style="list-style-type: none"> a claim as result of injury or death; damage to personal belongings. This cover also applies for road accidents that occur when: <ul style="list-style-type: none"> the car is stopped; getting in and out of the car; refuelling; loading and unloading in the immediate vicinity (maximum 2 metres) of the passenger car; performing emergency repairs or assisting in the event of an accident in which the passenger car is involved.
What is not insured?	<p>The following is not insured:</p> <ul style="list-style-type: none"> loss of or damage to money or valuable papers; damage to vehicles, trailers, or caravans and the accessories of these; claim due to fighting or wilful recklessness (risky undertaking). This is though insured if it is an attempt to rescue a person or an animal. It is also insured if it concerns self-defence or fending off imminent danger. <p>See article 11 'What is not insured?' for more on what is not insured.</p>
Excess	<p>The excess is stated on your policy schedule.</p>
Damage	<ul style="list-style-type: none"> In the event of damage to property, the repair costs are compensated up to a maximum of the current market value minus the value of the balance. In the event of injury or death, the compensation is determined based on the relevant articles in the Dutch Civil Code. If insured resides outside the Netherlands, then determination of the loss assessment shall occur according to the law of that country. <p>See also article 15. 'What should you do in the event of a claim?'</p>
What is the maximum compensation?	<ul style="list-style-type: none"> The maximum compensation is stated on the policy schedule. This applies for all of the insured parties together. If a policyholder is self-employed, the compensation (per day) for damage due to loss of labour capacity will be a maximum of 30% of the maximum daily earnings pursuant to the Invalidity Insurance Act/ Work and Income according to Labour Capacity Act (WAO/WIA). In total, the compensation will not in any case exceed 30% of the loss of labour capacity. Loss of labour capacity is the amount of money that the policyholder can no longer earn or could no longer have earned by working. Is the total claim greater than the maximum? Then we reduce the payments per person. This is done proportionally. The maximum is then divided by the number of persons who will receive compensation. No more than two times the maximum compensation will ever be reimbursed per insurance year. If an occupant was not wearing a seat belt, then the compensation is reduced by 25%. If not wearing the seat belt had no influence on the claim, then the reduction is not applied.
Special details	<ul style="list-style-type: none"> Is the damage also insured according to the 'Third party liability' cover of the passenger car? Then that cover supersedes. Only persons who are directly involved with the accident can be compensated. In case of death, also the surviving relatives.

22. Legal assistance

This cover gives you legal advice if you are involved in a collision. You are also entitled to legal assistance if you have a dispute concerning the purchase or servicing of the passenger car. You have this cover if it is stated on your policy schedule. The overview below states what is and is not insured.

What is insured?	<p>Legal assistance is insured for a dispute that has arisen as a result of:</p> <ul style="list-style-type: none"> • driving on the public road with the passenger car, possibly with a coupled trailer. <p>This also includes criminal proceedings and traffic fines insofar that you can settle the criminal action or the fine through payment of a sum of money;</p> <ul style="list-style-type: none"> • service to the passenger car within the Netherlands; • repairs and towing of the passenger car; • purchase of a new passenger car or second hand passenger car if this was purchased with a written guarantee from a dealer established in the Netherlands.
What is not insured?	<p>Legal assistance is not insured:</p> <ul style="list-style-type: none"> • if, according to the legal agency, there is no reasonable chance of success. In such case you are entitled to once-only advice; • if you incur costs for legal assistance without permission from the legal agency; • for disputes concerning the exploitation of the passenger car such as rental, transportation, giving lessons and advertisements; • for disputes that were known to you when taking out the insurance or disputes of which you could have expected would arise; • if someone claims compensation from you for damage allegedly caused by you; • if the dispute concerns taxes; • for collection of claims arising from an agreement; • for disputes with the government, such as subsidies and import duties; • during the time that you are in a state of bankruptcy or when you, by court order, may defer your payments (this is known as suspension of payments); • if you consciously break the law or if you are suspected of intent in a criminal action. If it later appears from the verdict that you are completely acquitted of all charges, the reasonable incurred costs of legal assistance are compensated at a later date; • with regard to actions related to revoking a driving licence in which the driver faces criminal charges – if the driver is acquitted, the reasonable costs of legal assistance will nevertheless be compensated; • if a dispute between you and the legal agency concerns the explanation or application of this legal assistance insurance. Special details

- You may not start on the settlement of your dispute without the permission of the legal agency.
- The legal agency provides the legal assistance itself, but it can decide to have your dispute settled by a lawyer. The lawyer does though have to be established in the country where the case is being heard. You can choose the lawyer yourself to whom we have to pass the case, if:
 - we have commissioned a lawyer to represent your interests in a legal or administrative procedure;
 - also the opposing party is insured with us for legal assistance and has to be assisted by the same legal agency.
- Would you like to change lawyers during the settlement of your dispute? These costs only qualify for compensation after permission from the legal agency.
- If we are of the opinion that the engagement of an expert is necessary, then we shall engage one on your behalf. This could for example be an expert for the drawing up of an expertise report.
- We are not liable for claims that are the result of the work of external lawyers or experts.
- Are you in dispute with the legal agency concerning the legal assistance? Then you can present this case once to an independent lawyer. You are allowed to choose the lawyer. We will reimburse the costs of this and shall handle your case further as the lawyer advises. If the legal agency may not or cannot handle the case itself: Then the legal agency expects you to request another lawyer (not a colleague) to continue with the procedure.
- If the ruling is not in your favour, you can also continue the proceedings yourself. But this is for your own account. If the ruling is then in your favour: We reimburse the costs incurred up to a maximum of the insured amount after the ruling.
- Has someone else caused you damage? And it is probable that he or she is not capable of compensating this damage? Then the legal agency compensates you for this damage up to a maximum of €1,250. It must though be established that you are entitled to this compensation. It must also be established that you could not be compensated for the claim in another way.
- We only handle disputes that concern an interest of more than €125. This minimum interest does not apply for traffic and criminal actions.
- The legal agency may terminate the handling of a case and buy it off if the interest of the case does not balance the costs of the legal assistance that have to be incurred. You are then entitled to compensation of an amount that is equal to the interest of the case.
