Policy conditions

ZB01012022GB

TRANSLATION
These conditions have been translated from the original Dutch wording. In case of differences between the wording of these conditions and the original Dutch wording, the provisions of the latter shall prevail.

Introduction

Damage that is caused to someone else with your delivery van is reimbursed with this Delivery van package insurance. It is also possible to insure damage to the delivery van or the trailer.

The policy conditions of this insurance are set out below. The following, amongst others, are included:

- the applicable rules;
- our and your obligations;
- how the premium is established;
- the reimbursements or assistance to which you are entitled;
- what you should do in the event of a claim.

It is important that you read these policy conditions carefully. This will ensure that you are fully aware of what actions you should take and your entitlements.

We will send you a policy schedule if you take out insurance with us. The policy schedule sets out the contingencies for which you are insured. Any special conditions that are applicable to this policy can also be included on this. Please make sure that you safely store your policy schedule and the accompanying documents.

Check the table of contents for the topic you wish to learn more about. This is the quickest way to find the topic.

A description of the General Conditions is given after the explanation of the used terms. These are the conditions that apply for the entire insurance. After this, we then describe the conditions per cover. Your insurance cover is stated on the policy schedule.

If you would like to know whether we reimburse your damage, do not just look at what is insured, it is also important that you look at what is not insured. The excess, the amount of the maximum reimbursement or other special details also possibly influence the amount that will be reimbursed.

Explanation of the used terms

The following terms and words are explained to ensure these policy conditions are as comprehensible as possible. The terms that appear in the General Conditions are given below. The terms that we use with the conditions per cover are explained separately in that chapter.

- **Delivery van:** the vehicle that is stated on your policy schedule. This is in the version as marketed by the manufacturer or importer including the fuel and all extras required to operate the car. Loading/unloading equipment and equipment, accessories and other constructions that have been attached later are only counted as part of the delivery van if these have been specified to us and are included in the insured value. We always count extras that increase the safety factor such as a warning triangle, first-aid kit, emergency light, tow-rope, tie-down straps and fire extinguisher as part of the delivery van. You do not have to include these in the insured value.
- **Current market value:** the amount needed to purchase a similar delivery van immediately before the damage.
- **Cover:** the risks which you or your property are insured against are described in this. This insurance has various types of covers.
- **Excess:** this is the part of the claim that we do not reimburse. If the damage is to your own property then you receive the amount of the claim minus the excess. If the damage is to someone else then we mostly reimburse the entire claim, but then you have to pay us the excess.
- **Fraud:** fraud occurs when you intentionally mislead or try to mislead us in order to receive a reimbursement or benefit to which there is no entitlement. Also included under fraud is seeking to benefit in another way without being entitled to a reimbursement, allowance or benefit or when you intentionally provide us with wrong information.
- **Event:** the event or connected events whereby damage or liability arises.
- **Anti-slipperiness equipment:** truck-mounted equipment for combating slipperiness, such as salt/grit spreaders, snow ploughs, sweeper brushes or equivalent devices.
- **Occupants:** the driver and everybody who with permission has a seat in the delivery van.
- **Loading/unloading equipment and equipment:** the equipment permanently attached on or to the delivery van.

You should consider here for this, the loading and unloading control valve, removable and tipping systems, cranes, movable floors and such like. Non (permanent) attached equipment such as a forklift only fall under this if it is attached to the delivery van.

- **Breakdown:** a mechanical or technical problem, as a result of which the delivery van can or may no longer be driven.
- **Policy schedule:** the pages are part of the policy conditions. This states your insurance cover.
- **Residual value:** the value of the delivery van directly after the damage. This value is established by the expert.
- **Sanction list:** every list of persons and organisations compiled by the Dutch government, the European Union, the United States or the United Nations that are the subject of sanctions.
- **Total loss:** if the repair costs are more than the value of the delivery van just before the damage minus the remaining balance. Total loss arises when the repair costs are more than 2/3 of the value of the delivery van before the damage. Theft and misappropriation are also a form of total loss.

An example of "total loss"

If the repair costs are more than 2/3 of the current market value of the delivery van, then we feel it is no longer reasonable and responsible that the vehicle is repaired. That is why we consider your vehicle a total loss in such an instance. The example below will provide clarity on this.

Current market value delivery van	€45,000
Repair costs to damage	€35,000
Residual value delivery van after the damage	€ 5,000

The repair costs (€35,000) are more than 2/3 of the current market value (€30,000). Thus, you do not receive the repair costs (€35,000) but the current market value (€45,000) minus the residual value of the passenger vehicle after the damage (€5,000). You receive €45,000 - €5,000 is €40,000. The excess still though has to be deducted from this. The amount of the excess is stated on your policy schedule.

- **Traffic accident:** a traffic accident with the insured vehicle, for instance a collision, crash, running over, fire, lightning strike and running off the road.
- **You/Policyholder:** the person who took out the insurance contract with us.
- **Insured:** the policy holder, the owner, possessor and keeper of the delivery van. And the persons who with your permission are allowed to drive, operate or ride in the delivery van.
- **We/ourselves/us:** TVM verzekeringen N.V.

General Conditions

The conditions that are applicable on the entire insurance are set down in this chapter. Thus, please make sure that you read this carefully so that you will not have any unpleasant surprises later on. The details that you have supplied form the basis for the insurance.

1. With who are you insured?

You are insured with TVM verzekeringen N.V., (Chamber of Commerce number: 53388992, Dutch Authority of the Financial Markets (AFM) registration number 12040443); www.tvn.nl. Our address is: Van Limburg Stirumstraat 250, 7901 AW Hogeveen. Our postal address is: Post box 130, 7900 AC, Hogeveen.

By taking out this insurance you are entitled to apply for membership to the Coöperatie TVM U.A. This is not possible if the insurance is handled by an authorised agent of TVM or if your company is not domiciled in the Netherlands. The Cooperative Association TVM U.A. is entitled to cancel the membership if the insurance is going to be handled by an authorised agent. An authorised agent is someone or an organization that may accept insurance on our behalf.

The law of the Netherlands is applicable on this insurance.

2. What rules are in place for the commencement and end of the insurance?

2.1. Commencement date and renewal of the insurance

- The insurance commences on the commencement date stated on the policy schedule.
- The contract renewal date of your insurance is also stated on the policy schedule. If you do not conclude a new agreement with us before this date, then the insurance is automatically renewed for a period of twelve months.
- You have no entitlement to compensation for damage that is the result of an event, which occurred before the commencement date of the insurance.

2.2. When can you terminate the insurance?

- You can terminate the insurance at any given moment in writing if you have not concluded any new agreement with us after the first contract term. A notice period of one month applies for this.
- You can terminate the insurance in writing per contract renewal date, if you have agreed a (new) contract term with us. A notice period of two months is applicable in such an instance.

2.3. When can we terminate the insurance?

- We are entitled to terminate the insurance per contract renewal date if we inform you of this in writing two months before the contract renewal date.
- We can terminate the insurance with immediate effect if:
 - you do not pay the premium or the excess at all or on time;
 - you intentionally mislead us when taking out or during the term of the insurance by providing incorrect or too little information;
 - you have not supplied the correct information in the event of a claim;
 - you change your business activities;
 - your company goes bankrupt. We do not provide cover from the moment you are declared bankrupt;
 - you, by court order, may defer your payments (suspension of payments);
 - your company ceases to exist;
 - it is established that there is a case of (an attempt to commit) fraud involving this insurance or any other insurance taken out with us. We shall be entitled to terminate all insurance policies that you have with us as of the date of the letter in which we inform you accordingly;
 - you no longer have an interest in the insurance (such as in the event of total loss or sale of the delivery van). It is important that you inform us of this as soon as possible, but in any case within seven days.

We refund any premium paid in excess. We will not do this in the event of fraud.

- We are entitled to immediately terminate the insurance in relation to sanction legislation if:
 - you are included on the sanction list;
 - you are a legal person, of which a holder of 25% or more of the shares is included on the sanction list;
 - you are a legal person and controlled by a person (natural or legal person) who is included on the sanction list. Consider here, amongst others, a director and/or a supervisory director;
 - a sanction has been imposed by the Dutch government, the European Union, the United States or the United Nations that forbids us from issuing your insurance.
- We are entitled to terminate the insurance in relation to sanction legislation at any given moment, with a notice period of two months, if:
 - you do not cooperate with establishing the ultimate beneficial owner of your legal entity, for example, by not filling in a UBO form.

If one of the above points apply to you or if national or international rules apply that forbid or restrict this, then:

- we will not provide cover under this insurance;
- we will not make any payments to you or on behalf of you;
- we will not refund any premiums paid in excess or advance.

For so long as the sanctions apply, we will not be obliged to do so.

3. May we change or terminate the insurance in the interim?

3.1. Change to your insurance

We are allowed to change the premium and/or conditions of your insurance in the interim. You will receive a letter or e-mail from us at least 30 days before the change takes effect.

3.2. Do you object to the changes?

If you object to the changes, you are entitled to cancel the insurance. You may simply inform us by means of a letter or email that you wish to cancel the insurance. You should, however, do so within 30 days of the date of our notification of implementation of the change. The insurance will then be terminated as of the date of implementation of the change. This date is listed in our message. If you fail to send us a letter or email within the aforementioned 30 day period, then the changes will also apply to you.

3.3. In what circumstances are you not entitled to cancel the insurance?

You cannot cancel the insurance if the change is due to:

- an amendment to legislation or regulations or if it follows from case law;
- an extension of the cover;
- a reduction in the premium;
- an alteration that is either in your favour or bears no further consequences in your case;
- a premium adjustment on the basis of indexation.

3.4. Termination of your insurance

It is in everyone's interest that we remain capable to of fulfilling our service obligations in the future. In exceptional cases it may be necessary for us to terminate the insurance in the interim. We then do this simultaneously for an entire group of clients or insurances in the same way and at the same time.

A situation may arise in which a termination cannot wait until the insurance is renewed, for example because it may have serious financial consequences for us or because legislation obliges us to do so.

Explanation:

Special cases are, for example, where we cannot, or cannot at a reasonable premium, reinsure ourselves against certain risks. Or if legislation prohibits us from insuring certain risks.

If we are going to terminate the insurance in the interim, we will, of course, always let you know beforehand. By letter or e-mail we will then explain exactly why we are terminating the insurance in the interim.

4. How do we treat your personal data?

When you request insurance, we ask for your personal details. We are a subsidiary of Coöperatie TVM U.A. Coöperatie TVM U.A. and its subsidiaries share your personal information for the following purposes:

We also exchange your claim history and insurance details with the Central Information System Foundation (CIS). We do this in order to adopt a responsible policy for handling claims and accepting insurance risks, and to combat fraud. In this respect, we follow the privacy regulations of the CIS. 5. What can we do in case of fraud?

In case of fraud, we can report it to the police and take the following measures.

- We register your details in the database for insurers maintained by the CIS foundation, with the Fraud Office at the Dutch Association of Insurers' Centre for the Prevention of Insurance Crime (CBV), and in TVM verzekeringen's internal Events Administration or Incidents Register.
- We can recover from you any (investigation) costs incurred and/or damages paid.
- If we engage the service organisation for liability claims (SODA), then you will be charged at least the standard fee set by SODA.
- If SODA is not engaged, we can charge you for the actual internal investigation costs incurred.
- We can terminate all insurance policies you have with us.

6. What are your options in the event of complaints?

If you have a complaint then do not hesitate to contact us. If your complaint cannot be resolved by our employee, then you can submit your complaint by using our [online complaint form](#). Or you can send an e-mail to klachtenloket@tvm.nl. If you are not satisfied with the solution we propose, you can then choose to submit your complaint to Dutch court.

As a consumer you can submit a complaint to the Dutch Financial Services Complaints Authority (Klachteninstituut Financiële Dienstverlening (KiFiD)), Postbus 93257, 2509 AG Den Haag, e-mail info@kifid.nl.

7. What obligations are imposed on you?

7.1. What do we expect from you?

We expect you to:

- comply with the rules applicable to this insurance;
- comply with government regulations;
- supply us with the correct information when taking out the insurance;
- inform us immediately about changes during the term of the insurance, such as:
 - a change in the business activities;
 - a company takeover;
 - a change of your address and/or contact details or bank account number;
- pay your premium and excess on time;
- inform us if the delivery van will be outside the Netherlands for longer than eight consecutive weeks.

7.2. What if you do not meet the obligations?

If you do not adhere to the obligations, we could suffer a loss as a result. If we suffer a loss in this way, we will be entitled to:

- do not or only partially pay your damage;
- terminate the insurance immediately;
- increase the premium;
- have you pay back payments and/or the costs we have incurred.

8. What should you do in the event of a change of business activities or a company takeover?

A change in business activities or a company takeover should be reported to us immediately.

We will inform you whether we will continue to offer the insurance and if yes, for which conditions. You will be informed of this thirty days after we have received the information from you.

9. How do we establish the premium?

A no-claim bonus could be applicable on your insurance. This means that you receive a discount on your premium for claim-free driving. In addition to a premium with a no-claim bonus there is also the possibility of a premium without a no-claim bonus. The policy schedule specifies the policy we have agreed with you.

For a premium with a no-claim bonus, the amount of the premium for third party liability and comprehensive insurance cover is influenced by the number of years you have driven claim-free.

We are entitled to adjust the premium to the price developments each year. We use for this the consumer price index for households of Statistics Netherlands (consumentenprijsindex voor huishoudens van het Centraal Bureau voor de Statistiek (CBS)).

9.1. No-claim facility

- We set the grade at the commencement of the insurance policy and with this the discount on the no-claim table.
- If you drive claim-free for a year: Then the new grade is adjusted upwards according to the no-claim table.
- If you have filed a claim which we have reimbursed: Then the grade in the new insurance year is adjusted downwards according to the no-claim table.

9.2. No-claim table

Current grade	Discount	The table below shows what the grade will be after an insurance year:	
		No claim	1 claim
grade 1	0%	grade 2	grade 1
grade 2	10%	grade 3	grade 1
grade 3	15%	grade 4	grade 1
grade 4	20%	grade 5	grade 1
grade 5	25%	grade 6	grade 1
grade 6	30%	grade 7	grade 3
grade 7	35%	grade 8	grade 3
grade 8	40%	grade 9	grade 4
grade 9	45%	grade 10	grade 4
grade 10	50%	grade 10	grade 5

In the event of 2 or more claims, the grade in the new insurance year will always be 1 (thus, without discount).

Example of a no-claim bonus

Let us say that your current grade is 9. The table shows that this corresponds with a 45% discount on your premium. If you have not filed a claim that we have to pay after one insurance year, then you move up to grade 10. This then results in a 50% discount. If we do though have to pay a claim then you will be moved back to grade 4. Your discount on the premium is then reduced and amounts to just 20%.

9.3. Which claims do not affect the no-claim bonus?

The following claims have no negative impact on your no-claim bonus:

- the compensation paid by us has been recovered in full
- we are unable to recover the damage because agreements have been made about this within the Dutch Association of Insurers. The liability of the other party must then be established
- damage that you take for your own account and we have received the compensation back from you. You must have reimbursed this to us within one year after the extent of the damage has been notified to you;
- damage that is insured under 'Restricted comprehensive' cover;
- damage to anti-slipperiness equipment;
- assistance in case of a traffic accident;
- damage that we according to the law have to pay, but where no blame whatsoever can be attached to the driver of the delivery van when the damage occurred.

10. What rules apply for the payment of the premium?

10.1. Payment of first premium

- The insurance commences on the agreed date, when you pay the first premium within thirty days after the invoice date. If you fail to do this? Then we assume that you are no longer interested in taking out the insurance. Then you were not insured with us.

10.2. Payment of following premiums or any excess

- You pay the following premiums within thirty days after the invoice date. This also applies for any excess that we charge you. If you fail to do this: Then we will send you a payment reminder.
- If you do not pay or do not pay on time after receiving the reminder:
 - After 15 days, calculated from the date when we send you the reminder, you will no longer receive compensation for any new claims.
 - In this case, we shall also be entitled to terminate the policy.
 - If you do pay, but not on time and we have not yet terminated the policy, you will once again receive compensation for new claims as of the day following the day on which we receive payment.
- You are always obliged to pay the premium or a charged excess. If we initiate a (legal) process for the payment that you have to pay, then any associated (collection) costs incurred are for your expense.

11. What is not insured?

We provide no assistance and pay no claims if the related damage is caused during or as a result of:

- other use than is explicitly agreed, such as:
 - (sub) leasing;
 - paid transport of persons;
 - giving driving lessons;
 - participating in speed and contests of skill and training for this;
 - participation in events such as carnival processions or festive parades.

By festive parades we mean, among other things, champion parades, flower parades and tours with a festive character.

If you participate in such a parade, please contact us to discuss the insurance possibilities.

- a driver who is not permitted to drive the delivery van; We understand here, a driver who has no driving licence or who should not be considered capable of driving a vehicle;

For example: someone who has no valid driving licence or is disqualified from driving, or when the driver is driving under the influence of so much alcohol, drugs or medication that he/she should not be considered capable of driving a vehicle. This is in any event the case if the legally permitted maximum (promille/ugl) has been exceeded.

Has your license expired? In that case you remain insured, provided your driving license can be renewed without the need to take an examination or driving test.

- a driver who has stolen the truck or knows that it is stolen;
- a driver who refuses to cooperate with a breathalyser, urine or blood test;
- if the accompanying driver does not meet the 2toDrive regulations (for supervised driving);
- intent, conditional intent, recklessness or with the approval of an insured;
- fraud;
- transport of hazardous substances:
 - that fall under the Regulation on the Carriage of Hazardous Substances by Land;
 - that fall under a similar law when transporting in a foreign country.

There is a situation where the abovementioned claim is though covered. This is when you can prove that you were unaware of the situation and you also did not want it to happen. And you could also not prevent the situation.

We further provide no assistance and pay no claims if these have been caused by:

- nuclear reactions, we understand here any nuclear reaction in which energy is released such as nuclear fusion, nuclear fission or artificial and natural radioactivity;
- acts of war, we understand here:
 - Armed conflict
Armed conflict is understood to be any conflict in which at least one nation state or organised party combats another state or organised party with the use of military force. Armed conflict also includes military action conducted by a peacekeeping force of the United Nations.
 - Civil war
Civil war is understood to be a more or less organised violent struggle between inhabitants of a nation state, in which a considerable number of the inhabitants of the state are involved.
 - Insurrection
Insurrection is understood to be an organised violent resistance within a state, directed against the public authorities.
 - Civil commotion
Civil commotion is understood to be more or less organised violent acts occurring in several places within a state.
 - Riots
Riots are understood to be a more or less organised local violent movement directed against the public authorities.
 - Mutiny
Mutiny is understood to be a more or less organised violent movement of members of any armed force directed against the authority under which they have been placed.
- (bio)chemical, biological or electromagnetic weapons;
- seizure by a Dutch or foreign authority.

We also do not reimburse claims:

- if the delivery van is longer than eight consecutive weeks outside the countries of the European Union;
- if the aim is to cause damage through the use of computers and software;
- on cases where this is not permitted according to national or international regulations;
- to persons, companies, authorities and other parties where this is not permitted because of national or international agreements.

12. Is the damage also insured under another policy?

Are there other insurance policies or facilities that also pay the same claim? Then you are expected to immediately inform us about these policies.

We do not pay a claim:

- if this claim is already paid on the basis of a facility, the law or another insurance policy or;
- if the damage would have been compensated if this insurance policy with us did not exist.

If this insurance policy covers more than the amount compensation by this scheme, law or other insurance policy, because the insured sum is higher or the policy conditions are different, we will only compensate the amount of damage that exceeds the higher insured sum or that you are entitled to receive under the policy with different conditions. We will not pay the excess (if applicable) stipulated in another policy.

We will pay the damage if the other policy is for accident insurance.

13. When do we recover the paid claim?

We are entitled to recover the paid claim and incurred costs if:

- the driver has consumed more alcohol than the legal limit allows;
- the driver was under the influence of a stimulating or narcotic substance or medicine. This does not apply if it is taken on the advice of a doctor, unless the driver should have known that the substance or medicine can impair the driving ability;
- the driver did not have a valid licence;
- the driver or the insured intentionally or through recklessness behaviour (partially) caused the claim;
- the insured was pleased that a claim occurred;
- for another reason no cover exists;
- someone used the delivery van without your permission; Then we recover the claim from the person who used the car;
- someone else is liable. Then we recover the paid claim from the other person.

14. In which countries are you insured?

In the case of Third Party liability insurance, you are insured in the countries in which your green card (International Motor Vehicle Insurance Certificate) is valid. The same coverage areas apply for the other policies, but there is no cover to the east of the geological east/west watershed in the Ural Mountains and the course of the Ural River from the Ural Mountains to the Caspian Sea.

If frontier insurance is required for a country, then you have to make use of this. The cover of the frontier insurance supersedes the cover of this delivery van insurance.

15. What should you do in the event of a claim?

The claim should be reported to us as soon as possible within three days at the very latest. This can be done in the following ways:

- Internet: www.mijntvm.nl
- Telephone: +31 (0)528 29 27 00
- E-mail: smd@tvm.nl
- Post: TVM verzekeringen
Antwoordnummer 70
7900 VB Hoogeveen

In the event of theft, you should always immediately contact TVM assistance: +31 (0)528 29 29 11.

After which, you should forward the completely filled out claim form to us within seven days after reporting.

15.1. Emergency assistance

If you need direct assistance, call:

TVM assistance: +31 (0)528 29 29 11.

(lines are open day and night)

Examples of direct assistance (depending on your coverage) are:

- Salvage;
- Repatriation;
- Theft of your vehicle;
- Personal assistance if you are involved in a traffic accident.

15.2. What should you do in the event of a claim?

You are obliged to:

- immediately contact and report to the police in case of theft, break-in/forcible entry, misappropriation, or loss. We shall engage the Insurance Bureau for Vehicle Crime (VbV) to find the delivery van;
- supply all the information that could be important for the settlement of the claim. This is for example the case when someone else is liable for the damage;
- cooperate in order for the claim to be settled quickly and properly;
- forward the original supporting documents at our request;
- forward all documents that relate to the claim to us as soon as possible.

You are also not allowed to make any commitments, statements or undertake actions regarding compensation for damages.

If you do not adhere to these rules, we could suffer a loss as a result. Then we are entitled not to pay or only partially pay your claim. You can read in article 7.2 'What if you do not meet the obligations?' about the additional consequences this can have for you.

15.3. What should you know in the event of a claim?

- We can engage counsel if criminal proceedings are instituted against an insured.
- If you make a claim, you automatically authorises us to settle this claim on your behalf.
- We are entitled to pay directly to the benefit claimant.

15.4. Who determines the claim?

- We can bring in a loss adjuster to assess your claim. We will also pay the related costs.
- If you do not agree with our loss adjuster's assessment, you may bring in your own loss adjuster, but in this case, you will have to pay the costs in advance and subsequently reclaim them.
- You must have reasonable grounds for bringing in your own loss adjuster. For example, the costs of the loss adjuster must outweigh any difference you expect in the assessment of the damage.
- We will in any case pay the costs of your loss adjuster up to the amount charged by our loss adjuster. If the costs of your loss adjuster exceed the costs of our loss adjuster, we will only pay the additional amount if they are reasonable.
- If our two loss adjusters cannot agree, they can appoint a third loss adjuster. The assessment of the third loss adjuster will be binding on both of us. In addition, we shall share the costs of the third loss adjuster.

15.5. What if you cannot use your vehicle because it is being repaired or serviced?

So long as the insured delivery van is temporarily unavailable due to repairs or service, the cover chosen by you is also valid for a similar replacement delivery van. This insurance cover is valid for a maximum of thirty days. You have to immediately inform us of the temporary replacement. If the replacement delivery van is already insured, this cover is not applicable.

16. How is a claim as a result of terrorism arranged?

A claim caused by terrorism is reimbursed based on the Claims Settlement Protocol and the accompanying Terrorism Cover Clause Sheet of the Dutch Reinsurance Company for Terrorism Damages (clausuleblad terrorismedeckking of the Nederlandse Herverzekeringsmaatschappij voor Terrorismeschaden (NHT)). If you want the complete text of the protocol and the clause sheet, please go to: nht.vereende.nl or www.tvm.nl.

This means that if you have suffered damage as a result of an act of terrorism your claim might not be fully reimbursed.

What if the insured dies within a year after the traffic accident? Please see article 23.1 for the percentage rate. • In the event of permanent disability a type not listed in article 23.1 a percentage of the insured amount that is equal to the percentage of the closed type of listed permanent disability is reimbursed. Then we are entitled, in all reasonableness, to delay the decision on the amount of the payment. • We shall determine the amount of the payment as soon as we have all the data and a definitive medical conclusion has been reached and inform you of this. • If existing illnesses and/or disabilities worsen the consequences of a traffic accident, then we do not reimburse more than when the insured would have been completely able and healthy. • The payment is made to the person that suffered the traffic accident. • In the event of the death of this person, the payment is made to: <ul style="list-style-type: none"> • your spouse, if you at the moment of death are married; • your partner, as set down in the notarial cohabitation contract or the 'registered partnership', by which you at the moment of death cohabit without being married. • If insured at the moment of death has no spouse or partner then the payment is made to the legal heirs. If there are no heirs, then no payment is made.

23.2. Do you disagree with our assessment on the amount of or the entitlement to a payment?

Then a commission of three doctors will be appointed. You appoint one doctor and we appoint another. After which both of these doctors choose a third doctor before they start their examination. If the first two cannot agree then the third doctor shall decide on the matter. Every party is required to abide by this decision.

23.3. When will we reimburse the claim?

- We reimburse for permanent disability within three years after the traffic accident. We shall reimburse sooner if it can be established that no change is expected in the health condition.
- Has the insured died within one year after the traffic accident and the death is not the result of the traffic accident? If we have not yet paid compensation for permanent disability, then we will never make this payment.
- Has the insured died more than one year after the traffic accident and the death is not the result of the traffic accident? If we have not yet paid compensation for permanent disability, then we will do so in this case. The payment is based on the disability as if the insured had not died.
- Has permanent disability still not been established after one year? Then the amount of the payment (after the first year) is increased by 3% per year.

These can be, for example, extrajudicial costs, legal costs and deductible VAT.
